ian bass relief, etc. counts of noted arrests, of the police's system bill increasing the pension of Gen James of dealings with tramps, anecdotes and illustrated by \$100 per month.

ter, New, Brasenose and other colleges. Each of the serials has an illusion, giving way to west, which will begin in the Midsummer Hollidsy number.

The unillustrated material includes a paper on the popular query, "Is it going to rain?" by John Burroughs, who confesses that he was born with "a chronic anxiety about the weather;" while treating the subject from a fiterary stand-point, Mr. Burroughs does not fail to take note of its meteorological bearings. "Pomona takes the helm at Rudder Grange," by F. R. Stockton(the last of this droll series), contains some suggestions looking toward vigorous ways of dealing with tree-agents and Lightning-rod men. "Haly and the Pope," by Luigi Monti, makes clear the much-misunderstood relations between V c thaly, George P. Lathrop has a story about "Two Purse-Companions."—otherwise, two college friends who agree that whoever shall first be worth a certain sum is to divide it with the other. The peetry of the number is by Maurice Thompson, Mrs. Dorr, and others. In the departments, Dr. Holland discusses "Culture and Christianity," "Thin Living and Thick dying," and "Too Much of it "
"The Old Cabinet" is about "Simplicity."
"Home and Society" tells how to get "Pure Milk by the French method," and has suggesand "How to make a Haggis" "Culture and Progress" is devoted to reviews of Henry Jame's last work, Bartlett's Americanisms," ctc. "The World's Work" describes new

McCormick's Self-Binder.

this country.

& L. J. McCormick, of Chicago, Ill. Samples of which are now on exhibition at Ellicott City. Their line consists of the McCormick Harvester and Self-Binder, the greatest invention of the nineteenth century. This machine has been thoroughly tested from Texas to Minnesota in all kinds and condition of grain and country and has proved itself in every instance a grand success. I will sell this machine on trial, satisfaction guaranteed or no

practical processes. "Bric a-Brac" includes

the first pantoum (a peculiar form of verse adapted from the Malayan) ever written in

McCormick's Harvester for hand blinding— the only machine to which Self-Binder can be nothing more of any farmer than that he shall try our Harvester in any field of grain.

The most perfect Reaper and Mower manufactured, having a five foot bar for reaping and a four foot bar for mowing. Two pinions are supplied with each machine -a large one giving slow motion of grain cut-ting and a small one, which gives a quick motion for mowing. Examine into its merits—this machine is king of combined machines its sale leads all others in the north, west and

McCormick's Advance Dropper, a most val-uable machine for small farmers, it gives general satisfaction. McCormick's Prize Mower, the lighest draft and best grass cutter manufactured.

Many of the older farmers of Howard County are acquainted with McCormick's Reapers built years ago, and know them to be the most reliable machines ever sold in this countryvery best material and workmanship, and I vision of the army regulations. A numchall sell them as they have always been sold, on their merits alone, and I feel assured that these machines will please the farmers of this county, and I solicit you to carefully examine adjourned until 11 o'clock this machine. terms before purchasing this season. I shall keep a limited supply of repairs on hand—

Yours Respectfully,
M. B. PHELPS,
Clarksville, Howard County, Md. To whom all communications should be ad [March 30-3m].

St. Nicholas for July

Opens brightly and seasonably with a story of Patriotic interest, by Charles H. Woodman, entitled The Girl who Saved the General; i is a stiring account of the heroic act of a yong girl during the bombardment of her father's plantation in the Revolutionary War; and is illustrated by a telling frontispiece by Mr. H. F. Farney.

After this come several lively storics. There is The Barbecue, by Sarah Winter Kellogg, with a fine picture by Walter Shirlaw, and telling in a droll vein how a Fourth of July was celebrated down South by a tol-July was celebrated down South by a tolerbul bad boy. Then comes Sneeze Dodson's First Independence Day, by Mrs. M. H. W. Jaquith, with a laughable picture, and a racy description of the observance of the day in an inland village; and the flavor of July fun is well kept up by the tale of A Boy's Experience with Tar Marbles on a very warm day, its three illustrations being by Jessie Curlis.

Besides these attractions, there is a profusely illustrated story entitled Too Many Birthcays; and a funny poem, The Yankee Boys that didn't number ten, with ten comical silhouette illustrations by Hopkins.

How the Weather is Foretold is clearly ex-How the Weather is Foretold is clearly explained in an article by James H. Flint; Prolessor W. K. Brooks of John Hopkins University, in a liberal illustrated paper, discourses pleasantly about various Birds and their families; and the Story of Perseus, by Mary A. Robinson, gives a pleasant peep into the wonderland of ancient mythology. derland of ancient mythology.

The two serialis,—Dab Kinzer, by Wiliam O. Stoddard and Under the Liles, by Louisa M. Alcott,—with striking pictures by Many Hallock Foote and Sol Eytinge, have long and exciting installments in this number; and the poems of the issue are Rain, by Edgar Fawcett; Forty, less One, by James Richgar Fawcett; Forty, less One, by James Richgardson; and Meadow Talk, by Carolino Leslie,—the last two with capital illustrations. The Departments, For very little Folks, Jackin-the Pulpit, Letter-Box, and Riddle-Box, are varied and attractive

in its proper action, all kinds of ailments are the natural result. The digestion of food, the movements of the heart and blood, the action of the brain and nervous system, are all immediately connected with the workings of the Liver. It has been successfully proved that Green's August Flower is unequalled in curing all persons afflicted with Dyspepsia or Liver Complaint, and all the numerous symptours that result from an unhealthy condition of the Liver and Stomach. Sample bottles to try, 10 cents. Positively sold in all towns on the Western Continent. Three doses will prove that it is just what you want. Oct. 18, 177-1y.

The House at and is condemned alike by history and midnight proceeded to business on the Speaker's table.

WEDNESDAY.

Both houses of Congress rescinded the resolution to adjourn finally at 4 o'clock attached at any time in future. We ask yesterday afternoon, and then adopted a resolution to adjourn at 6 o'clock this afternoon. In the United States Senate, SALE OF VALUABLE REAL ESTATE McCormick's Advance Combined Reaper Mr. Kirkwood, from the conference committee on the post route bill, reported that the committee had been unable to agree, the House conferees refusing to agree to the amendment for the admission of foreign books through the mails free of duty. The sandry civil service appropriation bill was finally passed, after being variously amended. One of the amendments appropriates \$5,500,000 tu gold com to pay the Halifax fishery award, and another directs the Secretary of the Treasury to pay the Southern insil contractors for services rendered prior to the war. At the evening session a resolution was passed authorizing the committee on was passed authorizing the committee on military affairs to sit during the recess, uable farm described in said Mortgage, conand now as of old, they are constructed of the for the purpose of considering the re- taining ber of bills of an unimportant character 90 Acres of Land adjourned until 11 o'clock this morning, heir merits and learn our prices and when the conference report on the sundry civil bill is expected.

we have every part of these machines in stock at Baltimore so there will be no delay in case of brakeage, a very important point to the the resumption act failed to receive a twothirds vote, and the bill, therefore, failed. Mr. Butler submitted his views in regard to the Kimmel bill At the evening session the House non-concurred in Senate amendments to the sundry civil bill, and a new conference committee was ordered. At ten o'clock the House adjourned until this morning.

The Maine democratic convention met at Portland yesterday. Chas. W. Larrabee presided. Resolutions were adopted in favor of the payment of the national bonded debt as rapidly as possible opposing any further issue of government bonds, and while opposing an irredeemable paper currency, believing in a currency for government and people, the laborer and the bondholder alike, and in favor of the gradual substitution of greenbacks for national bank bills, indorsing the action national bank bills, indorsing the action of the majority of the House of Representatives in their investigation of the electoral frauds, and denouncing generally the policy and practices of the republican party. Alonzo Garcelon, of Lewiston, was nominated for Governor.

The mayor of Montreal Green action and that HOUSE AND LOT OF LAND in the village of Hilton, on the Columbia Turnpike, which was devised to Thomas O. Young by Thomas Young, deceased, by this will recorded in Liber W. G., No. 1, folious of Howard County.

THURSDAY.

The session of Congress was prolonged until an early bour this morning, when both houses finally adjourned. In the Senate, House bill was passed making it unlawful for any attorney, agent or other person to receive for his services in a pension case more than \$10, and providing that no fee contract shall hereafter be filed with the commissioner of pensions. A bill was passed fixing the second Tuesday of October next for election of members of the Forty-sixth Congress in West Virginia, and in North Carolina on the second Tuesday in November. [The same bill passed the House.] House bill for the The Liver is the imperial organ of the whole human system, as it controls the life, health and happiness of man. When it is disturbed to use many made to a second reading, when the iteration was made to a second reading, when the iteration was made to a second reading, when the iteration was made to a second reading. objection was made to a second reading, and the Chair decided in favor of a point of order against further progress on the bill, which defeated it for the session. At the evening session a resolution was passed authorizing the committee appointed to examine into the alleged connection of Senator Matthews with election frauds in Louisiana to hold its sessions at such places as deemed most convenient. The conference report on the civil service bill was presented and adopted in both houses.

In the House, a motion made by Mr. THE COUNTY COMMISSIONERS will Ewing to suspend the rules and pass a bill to retire national bank notes and sub.
